Date: December, 21 2015

Name of the company : Kin Machinebouw B.V.
Place : Stedenlaan 15
5121 DP Rijen

The undersigned, R. Tijink, Teamleader IND Industrial Inspections of Bureau Veritas Inspection and Certification The Netherlands B.V.

declares

that the above mentioned company has the delegation of Bureau Veritas Inspection and Certification The Netherlands BV to re-stamp products which are identified and of the material type according to Procedure No.: 50.5, version 1 and attachment 50.5, version 1 of their ISO 9001:2008 Procedure Manual.

This procedure for re-stamping is only valid for materials with a 2.2 or 3.1 attest.

The validity of this delegation expires when the ISO 9001:2008 (with number: 25057/1.1) Certificate is withdrawn or expired.

In witness whereof the present Attestation has been issued for the scope and purposes to which it was designed.
